Offensive Dentistry

Let's face it, sitting through a lecture about dental caries or caries risk assessment isn't appealing (in fact it sounds downright boring). However, the science of clinical cariology is beginning to have an impact on restorative techniques and technology. Streptococcus mutans has more to fear than a rheostat, now that we're armed with salivary diagnostics and bioactive materials.

COURSE OBJECTIVES

At the end of this course, participants should be able to:

- 2 Understand how to intervene medically in the caries process.
- 2 Control patient caries risk with focused therapeutics.
- 2 Design restorations to minimize recurrent decay.
- 2 Improve the prognosis of restorative treatment.

SPEAKER – Dr. Brian Nový

Dr. Brian Nový is the Director of Practice Improvement at the DentaQuest Institute, and an adjunct associate professor of restorative dentistry. He serves on the ADA Council of Scientific Affairs, acts as the chair of the CAMBRA coalition, is a member of the AGD and a clinical evaluator for the Catapult Group. The California Dental Association Foundation presented him with the Dugoni Award for "Outstanding contributions to dental education," and in 2009, the American Dental Association awarded Dr. Nový and his office the title "Adult Preventative Care Practice of the Year"

The Eighth District Dental Society makes every effort to present high caliber speakers in their respective areas of expertise. The presentations of these speakers in no way imply endorsement of any opinion, product, technique, or service presented in the course of any presentation. The Society specifically disclaims responsibility for any material presented. Programs may be subject to change due to circumstances beyond our control.

Eighth District Dental Society is an ADA Recognized Provider Approved by New York State Dental Association. Eighth District Dental Society expects its presenters to be in compliance with ADA CERP standards.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or the ADA CERP at www.ada.org/CERP.

Eighth District Dental Society designates this activity for eight (8) continuing education credit hours.
